Our brand is your brand. We craft our designs to fit your needs and never limit our vision to one style.

The common threads that connect all of our work is luxuriant, rich and carefully crafted designs.

From unexpected combinations of flowers to traditional and buttoned up, we answer your call to the height of perfection.

Perfectionists with a healthy respect for the accidental and natural.

our process

connect

First we listen to and analyse the client's objectives, brand identity and parameters for their events. Bouncing ideas and concepts back and forth we arrive at our client's target.

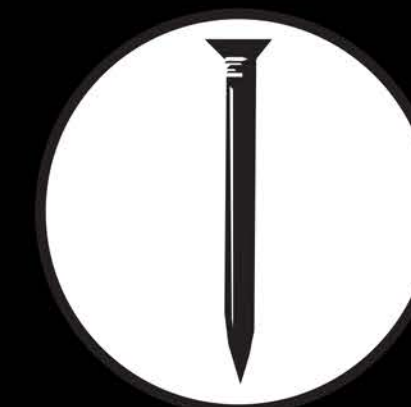

design

Drawing up detailed and itemized proposals with visual decks and spacial renderings, we assure that every component is perfectly aligned to our client's mission and aesthetic.

produce

From our Brooklyn studio and on site we take every measure to flawlessly assemble and install according to our proposed outlines in a timely and professional manner.

nail it

The results speak for themselves with measured gainstrough the impact our designs will impart to our client's brand. Hashtags need apply.
